Time Limit for Course of Study and Enrollment

Degree Course	Duration of Coursework	Required credits for course completion	Supplementary Classes	Length of Studentship
Master's	4 semesters	24 credits	Required credits (if necessary)	10 semesters
PhD	4 semesters	36 credits		14 semesters
Integrated*	8 semesters	54 credits		16 semesters

* Integrated: Master's and PhD combined programs

- Duration of Coursework: Minimum period of registration for graduation
- Length of Studentship: The semester limits within which a Coursework must be completed. (There is no limit for submitting a Thesis/ dissertation after coursework is completed.)
- Students should earn required credits with cumulative GPA of 3.0 or higher in order to complete their degree requirements.

** The minimum number of credits that students must earn from the curriculum of their affiliated department is determined by the department's internal regulations.

- Please note that this may vary by department, so be sure to confirm the specific requirements.

Students taking extra semester

(Master's and Ph.D: more than 5 semesters, Integrated program: more than 9 semesters)

- Graduate students who need to take an extra semester for course completion should pay the fee after they confirm the course registration.
- Tuition fees are calculated based on the number of credits (including supplementary courses) that the student takes.
 - 1~3 credits: Half of tuition
 - More than 4 credits: Full tuition
- Students taking an extra semester can only register during additional registration period (after completion of course registration).

Tuition Installment Payment Plan

- Application Period for Tuition Installment Payment Plan
 - Spring semester: January
 - Fall semester: July
 - How to apply: Go to the CNU portal website <http://portal.jnu.ac.kr> → Sign in → My Academic Affairs → Registration → Application for 'Tuition Fee Installment' → Payment Plan Application
- ※ The application period is in late January and late July which will be notified through the notice board on the

official website of the school.

- ※ Please be aware that students who are taking an extra semester and newly enrolled students are not eligible to apply for Installment Payment.
- ※ Please note that you will be expelled from the university in case of not paying during the designated period. In addition, you must pay the full tuition amount if you missed the first payment in February or August even if you had applied for 'Installment Payment.'
- Installment Payment Period

Round	Payment Period
First	During the regular payment period (same with other current students)
Second	One month after the first payment made (late March and late September)
Third	One month after the second payment made (late April and late October)
Fourth	One month after the third payment made (late May and late November)

Tuition Refunds

- All new students who wish to receive a refund of tuition fees, due to admission withdrawal, must submit an Application Form to the administration office of the enrolled, prior to the beginning of the school term (Spring semester: March 3, Fall semester: September 1) in order to receive a full refund of tuition fees.
- Tuition Refund Rules
 - Before the beginning of the semester: Full refund
 - Up to 30 days after the beginning of the semester: Refund 5/6 of tuition
 - Between 31 to 60 days after the beginning of the semester: Refund 2/3 of tuition
 - Between 61 to 90 days after the beginning of the semester: Refund 1/2 of tuition
 - More than 91 days after the beginning of the semester: No Refund

Early Completion

- The required total semester terms may be allowed to be shortened if the student has maintained a high GPA as below:

Degree Course	GPA	Required credits for course completion	Reduced term of study
Master's	4.3 or higher	24 credits	up to 2 semesters
PhD	4.3 or higher	36 credits	up to 1 semester
Integrated*	4.0 or higher	54 credits	up to 3 semesters

- ※ Students eligible for early completion must submit an early completion application to the department right after the midterm exam.

Updating Contact Information on CNU Portal

- You can manually update your contact information on the portal so that the university has the most up-to-date information.
- Go to the CNU portal website (<http://portal.jnu.ac.kr>) → Sign in → Academic Support → My Academic Affairs → Enrollment → Student Information
- ※ Students can manually update their address, phone number, e-mail, and family contact information.

2. Course Registration

Course Registration Dates

- Course Registration Period:
 - Spring Semester: 2026. 2. 6.(Fri) - 2. 13.(Fri)
 - Fall Semester: 2026. 8. 10.(Mon) - 8. 21.(Fri)
- Course Add & Drop Period:
 - Spring Semester: 2026. 3. 3.(Tue) - 3. 9.(Mon)
 - Fall Semester: 2026. 9. 1.(Tue) - 9. 7.(Mon)

Course Registration Procedure

- Click on the class registration system on the website (<http://sugang.jnu.ac.kr>) or
- Go to the CNU portal website (<http://portal.jnu.ac.kr>) → Sign in → Academic Support → My Academic Affairs → Courses → Course Application → Course Registration
- ※ For reference, Chrome or Edge is the recommended web browser for using the CNU portal.
- ※ Students should log in with their student ID and password.
- For new students, ID: application number, PW: yymmdd

The screenshot displays the CNU portal's 'Course' section. The sidebar on the left includes links for 'Course Registration Guide', 'Course Schedule', 'Course Evaluation Results', 'Syllabus', 'Course Application', and '수강신청 바로가기' (Course Registration Direct Link). The main content area, titled 'Course Schedule Modules', shows a 'Course Schedule Module' section with a table of course modules. The table has columns for 'CODE' and 'Day'. The first row shows 'A01' for 'Mon 1, Mon 2'. The second row shows 'A02' for 'Mon 3, Mon 4'.

CODE	Day
A01	Mon 1, Mon 2
A02	Mon 3, Mon 4

Checklist before Class Registration

- Check the course schedule and syllabuses with individual ID.
- Maximum number of Credits: 10 credits per semester for regular graduate school.
- ※ The following students may apply for a special exemption to take more credits:
 - 1) Students who had a GPA of above 4.0 (more than A in all subjects) in the previous semester: 3 extra credits
 - 2) Students who register for a supplementary course: 6 extra credits
 - 3) Students who entered CNU under the MOU with partner institution: 3 extra credits.
- Registration must be done by the student themselves, following the instruction of their academic advisor or the corresponding department. (Every semester, there are cases of students who are unable to complete their coursework requirements due to carelessness or because they asked a third party to register for them.)
- Students must also review the results of their class registration through the CNU portal system and rectify any errors during the add&drop period (the schedule will be released in advance).
- PhD students cannot retake a class if they have already received credit for it as a Master's student.

Class Schedule

	1	2	3	4	5	6	7	8	9
Mon	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00

Thu	-10:15	-11:45	-13:15	-14:45	-16:15	-17:45			

Academic Evaluation

Grade	Score	Grade Point Average(GPA)
A ⁺	95 - 100	4.5
A	90 - 94	4.0
B ⁺	85 - 89	3.5
B	80 - 84	3.0
C ⁺	75 - 79	2.5
C	70 - 74	2.0
D	below 69	0

※ For Master's students, no credit will be earned for a grade of D or lower, and for PhD students, no credit will be earned for a grade of C+ or lower. Furthermore, if your GPA from the previous semester falls below 2.0 when applying for a visa extension, you will be required to submit an explanatory note and a bank statement proof (\$9,000). Therefore, please strive to maintain good grades to ensure successful progress in your university studies.

- Attendance rate should be more than 75% for each class.
- Students should review their grades during the designated period. Any requests for grade review should be directed to the professor only during the Grade Correction Period.
- Students who receive a C+ or below and wishes to enhance their grade in a particular course are allowed to retake the course.
- If a course is retaken, the grade from the previous attempt will be removed from the academic transcript. Regardless of the grade achieved, only the last grade earned will be retained on the transcript.

Supplementary Courses

Graduate students with a different major from their previous degree may choose to take supplementary courses based on departmental regulations. The maximum number of credits for supplementary courses is 15 credits. Supplementary courses are mandatory and must be taken in addition to regular courses; they do not count towards the credits required for completion of one's major. Students must submit the Supplementary Course Registration Form before registering for courses.

If the change of the supplementary subject is needed, you must submit the "Form for Change of Supplementary Courses to be Taken".

Research Credits

Classification	Research Guidance (연구지도)	Research Training (연구연수)
Credit recognition	• Master's: 3 credits • Ph.D: 6 credits • Integrated: 9 credits	• 2~3 months: 3 credits • More than 4 months: 6 credits • up to 6 credits per academic course
Including credits for degree completion	Yes	
Grade Evaluation	S (Satisfactory)/ U (Unsatisfactory)	

- The research credits are not compulsory courses.
- Research Training: The research training is available to currently enrolled students who wish to conduct research at external organizations for a specified period. Students can earn credits by submitting a result report upon completion of the research project.

Course Withdrawal: Dropping classes

- Students are allowed to withdraw from courses during the designated period, which typically occurs in March and September. This period usually falls within the fourth week after the start of

classes and before one-fourth of the semester has elapsed. The exact date will be announced via the notice board on the CNU official website.

- Course withdrawal is allowed only if there is a minimum of one course remaining after the withdrawal.
- Students may not enroll in another class after dropping a class.
- Go to the CNU portal website <http://portal.jnu.ac.kr> → Sign in → My academic affairs → Course → Course Application → Course Drop Application

Unit (semester)	Duration of Coursework	Period for Leave of absence
Master's Degree Program	4	4
Doctoral Degree Program	4	6
Integrated Degree Program	8	8

Leave of Absence Category

- General Leave of Absence
- Maternity Leave of Absence
 - Students can apply for maternity leave for childbirth or childcare for children under the age of 8.
 - Maternity leaves are considered as additional to the general leave of absence.
 - Students who wish to apply for a maternity leave must submit a request form and upload documentary evidence (pregnancy confirmation document or family relation certificate)
- Leave of Absence due to Illness
- Leave of Absence due to Opening enterprise

Application Procedure

- Go to the CNU portal website <http://portal.jnu.ac.kr> → Sign in → My academic affairs → Enrollment → Change Current Student Status

※ In the case of a leave of absence due to illness, the student should submit the supporting documents to the department office.

The screenshot shows the CNU portal interface. At the top, there's a navigation bar with links like Enrollment, Graduation, Curriculum, Course, Score, Teaching Education Courses, Scholarship, and Registration. Below this, a sub-navigation bar includes Student Exchange Programs, Military Service, CNU Clinic, and [Graduate School] Self-improvement Records. The main content area is titled 'Enrollment' and 'Leave of Absence'. On the left, a sidebar menu lists 'Student Information', 'Change Current Student Status', and 'Leave of Absence'. The 'Leave of Absence' section has a list of options: Return to School Request, Minor/Double Major Application/Cancellation, Interdisciplinary Major Application/Cancellation, Micro Degree, Transfer Application, and 광역학과(전공)배정신청. The main area shows the 'Leave of Absence' form with a 'current status : enrolled' field and an 'Apply for the leave of Absence' button. Below the form is a table with columns: leave of absence type, starting date of the leave of absence, date of expire of leave of absence, Confirmation date, and processing status. The table is empty, showing 'No Data Found'. To the right of the table, there's a list of instructions and a button '등록금 반환 기준 상세보기'.

Special Notes

- If a student, who has already paid the tuition fees, wishes to apply for a leave of absence before half of the class days of the semester have been completed, the tuition fees will be exempted when the student returns to school for the next semester.
- The leave of absence (without tuition payment) is allowed during the designated period mentioned above. After the deadline, you can only apply for the general leave of absence which requires you to pay the tuition (exceptions: illness, childbirth, pregnancy.)
- Scholarship recipients must pay the tuition fee before applying for a leave of absence. Otherwise, the whole tuition fee, with no scholarships, will be notified and paid by the student when returning from the leave.
- Books checked out from the library should be returned.
- **International students (D-2 visa holders)** must return to their home countries during the leave of absence period. OIA will report the academic status change (from enrollment to leave of absence) to the immigration office when the leave of absence request is approved by the university. The student must leave Korea within 2 weeks from the approval date even though they have a valid staying period on their alien registration card. **Otherwise, it will be regarded as an**

illegal residency in Korea.

- After expiration of Leave of Absence, the student must apply for re-enrollment during the designated period.
- Students will be subject to expulsion if they fail to re-enrollment after the expiration of their leave of absence.

6. Manual for E-Class

Individual courses will have their own protocols; one should inquire about the exact methods either to the department office or to the individual lecturers. You are also advised to log into your e-class page by **March 3th, 2026**, at the latest, and to check your registered course announcements for more information.

Logging into your E-class Page

- Go to 'sel.jnu.ac.kr', click SSO log-in, and log in with your student ID and PW.
- The default password is your date of birth, YYMMDD.

E-class Dashboard

- Click the circle box to select your language.
- All your courses for the current semester will show and you can click on the link to navigate between them. To view all courses at a time, go to Curriculum → My course.
- The bell icon signifies new announcements and learning material notification.
- The envelope icon signifies new messages from the professor or other students.

Course page

- Below “Course Outline”, there are three icons:
 - ① Notifications: Class announcements
 - ② Course Q&A: You can ask course-related questions to the professor
 - ③ Archives: Learning materials
- For online classes, you can watch the video lectures during the designated period.

Announcements

- To view the course notice board, go to Course Home → Course Outline → Announcement
- To view announcements for all your courses, go to My page → Announcement
- You can read and study the attached materials.
- You can submit assignments to the professor online or offline.

The screenshot displays the 'Eco-friendly Center' LMS interface. The left sidebar contains navigation links: Classroom Home, Course Information (Lesson Plans, Grades/Attendance Management, Learning History, Gradebook, Managing the Other), and Unitary Activities. The main content area is titled 'Eco-friendly Center > Course Outline > Announcements'. A pink box highlights the 'Announcements' tab. Below the tab, a table lists announcements with columns for number, title, reviewers, on date, and kind. The table shows three entries, all titled '[Backup class] 2023-11-10 1000'. The first entry is dated 2023-11-27 with 22 reviews. The second entry is dated 2023-10-27 with 23 reviews. The third entry is dated 2023-10-05 with 28 reviews and is attributed to 'Jeong Seunghoon'. A search bar at the bottom right contains the text 'title' and 'Query'.

Engineering and Natural Sciences	SCI, SCIE Journals within 10% of JCR ranking	900,000 won	
	SCI, SCIE Journals within 25% of JCR ranking	600,000 won	
	Other SCIE, SSCI Journals	300,000 won	

※ How to check JCR Ranking?

- Journal Citation Reports (JCR) is annually publicized by Clarivate Analytics.

1. Goo to the JCR website: <https://jcr.clarivate.com/> , input the journal name you want to search.

※ Here takes “Energy” as an example, click search button.

2. This journal belongs to two categories. Click the journal name to check more detailed information.

3. Scroll down this page to check the Rank by Journal Impact Factor in each category
(Notice: Do not be confused with Rank by Journal Citation Indicator)

Rank by Journal Impact Factor									
Journals within a category are sorted in descending order by Journal Impact Factor (JIF) resulting in the Category Ranking below. A separate rank is shown for each category in which the journal is listed in JCR. Beginning in 2023, ranks are calculated by category. Learn more									
CATEGORY ENERGY & FUELS					CATEGORY THERMODYNAMICS				
31/182					3/79				
JCR YEAR	JIF RANK	JIF QUANTILE	JIF PERCENTILE		JCR YEAR	JIF RANK	JIF QUANTILE	JIF PERCENTILE	
2024	31/182	Q3	83.2		2024	3/79	Q1	96.8	
2023	24/171	Q1	86.3		2023	3/78	Q1	96.8	

* $JCR (\%) = \text{Current Journal Ranking} / \text{Total Number of Journal} \times 100$

In the first category “ENERGY & FUELS”:

$JCR (\%) = 23 \div 119 \times 100 = 19.33\%$ In the second category “THERMODYNAMICS”:

$JCR (\%) = 3 \div 63 \times 100 = 4.76\%$

4. Pick the most advantageous ranking for you. In the present case, journal Energy's JCR ranking is 4.76%.
